## ***ITW Gema Has You Covered***

A lot can happen in five years. Many sales made – production achieved – powder used. Do not take the chance that your powder application equipment will let you down. ITW Gema covers you with the most dependable powder application equipment in the industry.

## ***ITW Gema Guarantees It!***

A company's warranty policy is an accepted measure of its confidence in its products. That is why ITW Gema guarantees its product reliability by offering you the industry's only **5-year warranty.\***

### ***ITW Gema dependability ensures:***

- Increased production time
- Fewer rejects
- Reduced spare parts usage
- Controlled operating cost

\*Does not apply to individual components, repair or replacement parts – see ITW Gema warranty policy for complete details.

In addition, ITW Gema supports you with ServiceNet,<sup>SM</sup> our nationwide network of factory trained engineers and distributors.

Whatever your powder coating requirements, ITW Gema has the equipment, service and dedication you can rely on.

For more information on how you can be covered, call 1-800-628-0601, contact your local ITW Gema distributor, or visit us on the Internet at [www.itwgema.com](http://www.itwgema.com).

## ***The ITW Gema Warranty***

Any complete system\* supplied by ITW Gema which, under normal use and operating conditions in the plant of the original purchaser, proves to be defective within five years from the date of shipment will be replaced or repaired by ITW Gema without charge to the purchaser. The purchaser is required to notify ITW Gema of the defective part(s) and to establish that the complete system has been properly installed, maintained, and operated within the limits of rated and normal usage. The purchaser may be required to return the part for inspection and warranty verification.

Wear parts are covered under the warranty against defects in material or workmanship, but not for normal wear and tear. For more details of our warranty, please refer to ITW Gema Terms and Conditions.
