

EC DECLARATION OF CONFORMITY

0102

We, ITW Gema AG, declare under our sole responsibility that the below-referenced products are in conformity with the **EC Directives 73/23EEC, 89/336/EEC, 94/9EC and 98/37 EC**.
The procedures for the assessment of conformity as defined in Directive 94/9/EC Article 8, subsection 1) a and b) i) are applicable.

Manufacturer's address:

ITW Gema AG
Mövenstrasse 17
CH - 9015 St. Gallen
Schweiz / Switzerland

ITW Gema

Powder spraying equipment of the types OptiFlex, EasySelect, OptiGun, OptiSelect, PG X, GA XX, GMXX, CAXX and CGXX

With the markings:

II 2D EEx 2 mJ T6, II (2)D EEx 2 mJ T6, II 3D IP54 85°C

and the certificates:

PTB 03 ATEX 5003, PTB 03 ATEX 5004, PTB 05 ATEX 5007, PTB 05 ATEX 5009

The following conformities furthermore apply:

- EN 50050 Electrostatic painting and finishing equipment using flammable materials - Specification for hand-held spray guns and associated apparatus
- EN 50177 Automatic electrostatic spraying installations for flammable coating powder
- EN ISO 9001
- EN 13980

The powder spraying equipment is suitable for electrostatic coating with flammable coating powders for use in the explosive atmospheres generated by their own spray cloud.

The declaration of conformity will expire if the equipment is used contrary to the regulations or contrary to the Technical Documentation.

Safety instructions are contained in the Technical Documentation and must imperatively be applied.

Place, date: St. Gallen, 1 June 2006
